IT'S POLITICKING AND CAMPAIGNING TIME HERE AGAIN

HERE'S HOW, says City Clerk Clerk B. C. Ross to employees in his office, explaining the necessary procedure for giving out nomination papers to prospective councilmen. Date for filing began Monday, with three persons taking out papers. Deadline to file for the municipal election is March 4 at 12 noon. Three of the incumbents come up for election April 13, and a vigorous campaign is expected. Office workers taking in Ross' instructions in photo are Kathleen Heggum, Catherine Tabor and Evelyn Mosman.

THE TOWN RECORD

By MONTE DAYTON

Some eager-beaver journalist said a Broadmoor house was sliding down a hill Wednesday (just like the Big Stories from up north.)

The Broadmoor copoffice was flooded with calls from the met sheets asking questions about a residence at 619 MacArthur that was navigating down the slopes.

Latest report is that the place was flooded in the back yard, due to a drain being plugged. That is all.

Ladies of the Catholic Daughters would like it known that it is MR., and not MRS., EARL CURRIVAN who will speak at their book fair Wednesday, as mistakenly printed earlier.

They said they don't want to scare all their men speakers away.

Residents of the Willits-Knowles section are hopped up over some punks who've been scratching obscenities on the walls of a vacant house in the area.

The police have been notified and will dispatch with the culprits forthwith if they nab them.

DON MOHRWEISS, who's been two-yearing it at Pt. Cabrillo, Fort Bragg, is home again and has shed the Coast Guard colors.

A significant commentary on human affairs was made recently when a man, referring to a recent party at the HENRY DOELGER swankhouse, asked, "Where else can a man be asked to a party and take a swim practically in the host's living room at the same time?

As mentioned before in this column, the newest in Daly City eateries is to grandopen soon.

Chef RICH RICHARDS says the all-day initial serving up will be Tuesday from 6 a.m. until closing time, the latter to be determined by the amount of traffic.

MOMENTUM GAINS FOR LIONS YOUTH ART SHOW

More than 1000 Jefferson elementary and high school district youngsters are expected to have entries in the Second Annual Lions Club Youth Art Contest, to be held March 12, 13 and 14 at the community center in Daly City.

Last year's initial youth art show was greeted with such resounding enthusiasm that the Daly City-Colma Lions have set plans in motion for a more comprehensive show this year.

Chairman Elio Fontana announces that judges for the show will be Beniamino "Benny" Bufano, renowned San Francisco artist and sculptor, Dr. Mayo J. Bryce, art instructor at San Francisco State college, and Miss Donna Davis, art instructor at the San Mateo Junior college.

Assisting Fontana as co-chairmen of the Lions project which was lauded recently by the "Lions International" as one of the "outstanding Lions undertakings across the nation," are Stan Hannah and Dick Crane.

Other committee members are: Arnold Panella, Harry Carusis, George Glass, Ira Neville, Hal Willis, Joe Rohl, Ray Charette, Jack Price, Roy Arneson, Frank Tringalli, Gil O'Shaugnessy, Don Middleton and Joe Figueras.

School personnel who will help supervise the show are: Mrs. Joyce Tole, coordinator of art for the Jefferson Elementary school district; Mrs. Louise Brent, high school art instructor; Mrs. Ruth Mayo, elementary school art instructor; and Dick Crane, elemen-

MEASLES, SCARLET FEVER HIT HARD HERE IN JANUARY

Measles and scarlet fever plagued Daly City during the month of January, according to the morbidity report of the San Mateo county health department.

There were five cases of scarlet fever here, topping incidence of the disease anywhere else in the county. There were a total of 20 cases of the fever throughout the county.

Measles hit here nine times during the month, making Daly City second high among cities for that disease. Menlo Park suffered the worst siege of the illness, having a reported 15 cases.

Only other communicable diseases reported here for the month of January were two cases of mumps.

Colma had one case of mumps.

CITY ADMINISTRATOR TO ATTEND CONFAB

City Administrator Dan Andersen will depart Wednesday for Santa Monica, where the annual conference of city managers will be in session.

The confab will last through Saturday.

The gathering is known as one of the outstanding city managers' conferences of the year.

Santa Barbara Ave. Battle Is Resumed

H. R. Miller, owner of the controversial property at 416 Santa Barbara avenue, did a little lambasting himself this week as he leveled charges against neighbors of "trespassing" and "nosing into other people's business just because someone wants to improve their property."

Over a period of the past six weeks, Santa Barbara avenue residents have made complaints before the council that Miller, who lives at 279 Irvington, was constructing a "dangerous" third story on Santa Barbara and was otherwise maintaining a "nuisance building."

They also claimed that he was proceeding with additions to the building without the necessary building permits.

Miller said yesterday that someone, "And I think I know who," he said, had taken a wheelbarrow from his property, a 10 foot length of pipe and eight pieces of timber.

He said he would "notify the proper authorities and see that some action was taken."

"Why don't they come to me with their complaints, instead of doing everything behind my back," he added.

He also made a counter-charge that he know of "a couple of parties who had violated the city's building code on many occasions without the city's knowledge."

He said the talk about his building was "malicious scandal," and then continued: "Unless this persecution and petty theft is stopped these people had better look out."

Council Race Is On; 3 Take Out Papers

They were off and running in the Daly City political race this week as three citizens took out nomination papers for position of councilman.

Those taking out nomination papers (which doesn't necessarily mean they'll run) were: Sanford Vickers, 155 Abbot street; Owen D. English, 218 Abbot street; and Michael De Bernardi, 22 Bepler street.

Of the trio, De Bernardi is the only one who has ever run for public office. He ran by himself at the last municipal election, garnering 800 votes.

English, a welder who works in Colma, has been a resident of Daly City three years. He is active in Holy Angels parish, and is a member of the Holy Name society, and is secretary of the Holy Angel's Dads' club. He belongs to the Iron Workers Union, local 472.

He is also a member of the Democratic party in Daly City.

English lives at the Abbot street address with his wife and six children.

Vickers, secretary of the Daly City planning commission and active in PTA work, has been a resident here for five years.

He is employed as an engineer with the Southern Pacific and is a member of the Brotherhood of Locomotive Engineers.

He is past-president of the Edgewood-Hillside Terrace Improvement association and is still active in the organization.

Mrs. Vickers is also active in local charity and PTA work. The couple has one child.

De Bernardi is the father of four children, and is employed as a clerk in a peninsula market. He has been a resident of Daly City 10 years, and is a member of the Daly City Eagles.

Running as a lone wolf in the last election, De Bernardi surprised the "pollsters" by racking up 800 votes.

Two of the incumbents this week were mum, while one councilman said he intended to run. James Kennedy said, "As far as I can tell at present I will be a candidate for re-election."

Councilman Paul Green, who lives at 368 Northgate in Westlake, said he had "no statement as yet."

Mayor Anthony Gaggero said, "I haven't made up my mind yet, but will probably make the decision within the next week."

Candidates have until noon, March 4, to file. Nomination papers must be signed by 10 registered Daly City voters.

One Files For Police Commission Position

First candidate to make a bid for the one position being vacated on the Broadmoor police commission is Sam People of Sterling Tract.

To date Peoples has been the only one to take out nomination papers for the job.

Peoples is a magazine writer, who works under the name of "Brad Ward."

Election will be held on April 5. Deadline for filing is noon, February 24.

MINOR ROW OVER SITE FOR COUNTY HEALTH CLINIC

Daly City and South San Francisco will be presenting their respective arguments soon to determine which city will be the site for a county health clinic.

South San Francisco has contended that a spot on El Camino would be more convenient to residents of both cities.

Officials of that city are currently drafting a population map to prove this point. They have selected four tentative locations on the El Camino which they deem better than Daly City's suggestion.

City Administrator Dan Andersen argues that the health clinic would be much more accessible to a larger number of north county residents if situated in the Westlake subdivision.

Andersen said he would meet with Buck Hannon, Doelger representative, this week to draw up a map disproving South San Francisco's contention.

Henry Doelger, developer of Westlake, has indicated that he would encourage the clinic's location in the subdivision.

"The clinic is a necessity right now," Andersen said, "and will probably be going in in the near future. We will seek to show that a Westlake site will do the most good for the greatest number.

Interior Secretary Speaks Before Educator Club

Trustee Andrew Van Der Werff and Superintendent H. Z. Weibel of the Jefferson Elementary School district are currently attending the convention of American Association of School Administrators being held in Atlantic City, N. J.

Weibel wrote this week that 6000 persons from every state in the Union are registered for the session, with a large delegation being present from California.

At Monday's gathering Secretary of the Interior McKay spoke before the group, outlining the problems and challenges facing the school administrators in the atomic age.

Bonds For Sewage Plant Go For 2.77%

Contract for purchase of $300,000 in general obligation bonds for construction of a sewage treatment plant here was awarded Monday to John Nuveen of Los Angeles, bidding in conjunction with Schwabacher & Co.

Their bid, which averaged out over the 30-year redemption period to 2.77 per cent interest, was the lowest submitted.

Bids were opened by the North San Mateo County Sanitation district board of directors at their regular meeting.

The bonds will be in denominations of $1000, with interest decreasing over the years as the debt

Elementary District Budgets Less Than Attendance Jump

Jefferson elementary school district made a select group, it was reported this week by the Tax Digest.

A recent survey involving 209 California school districts showed that five of the seven school districts in San Mateo county surveyed budgeted a bigger percentage increase in expenditures than they expected attendance to increase, this school year compared with last year.

The local elementary district and South San Francisco Unified district were the only two who budgetted less than expected attendance increase.

Jefferson had an average daily atendance of 3257 in 1952-53 and budgetted $620,567. In 1953-54 anticipated daily attendance was up to 3677, a 13 per cent increase, while money alotted was $680,590, an increase of only 10 per cent.

MINOR MISHAPS IN BROADMOOR

Two minor accidents in Broadmoor during the past week resulted in injury to a child and the destruction of several signs at the 87th-Washington street intersection.

Judith Ann Logan, 9, was taken to her family doctor Monday for treatment when the car her mother was driving collided with another vehicle at the intersection of Washington and Sullivan streets.

Broadmoor police said Mrs. Kathleen Logan, 32, 512 90th street, Colma, was driving east on Washington avenue Monday afternoon when her car struck one being driven north on Sullivan by Leslie Dannis, 24, of San Francisco.

Broadmoor officers recommended both be cited for speeding.

Friday police reported signs at the interesection of 87th and Washington streets were demolished when the car driven by Robert Hailey, 24, of 752 87th street, went out of control.

Hailey was going west on 87th and when he applied his brakes to stop the car spun around, knocking over an arterial stop and a street sign.

Daylight Burglary Case In Broadmoor Remains Unsolved

Broadmoor's daring daylight burglary of February 3 remained unsolved today, Police Chief Ray Savage reported, although residents of the area reported seeing the man involved last Thursday.

Hunt continues for the culprit who entered the home of Joseph Luciani, 70 Dunks street, and made off with $317. At approximately the same time that day another home was broken into too, but nothing was taken.

Savage said that witnesses to the

MORNING RUN THRU STREET WITH BABY COSTS $25

A Daly City man was fined $25 in Judge Thomas L. Bocci's municipal court Wednesday after running through the streets at a predawn hour with his four-weeks old baby in hand.

Neighbors on San Diego avenue summoned police Wednesday shortly after 4 a.m., complaining that a woman was screaming in the streets.

Police said Wally Seeman, 522 San Diego avenue, was roaming the street clutching the youngster in his hands, while the wife was entreating him to return.

In addition to the $25 fine for disturbing the peace, Seeman was given a 10-day suspended jail sentence and placed on probation for 90 days.

He had been found guilty last year of driving while intoxicated, and in January was convicted of driving an auto with a suspended license.

Daly City Host For Golf Extravaganza

Selection of Lake Merced Golf and Country club as the site for a $10,000 open pro-amateur golf tournament to be held April 30, May 1 and 2, was revealed here today.

It marks the first time in nine years the professional winter golf circuit has included the Bay Area on its itinerary. Daly City will be host city for the mammoth tournament.

Scheduled to be on hand during the three days of play are such golfing-world luminaries as Ben Hogan, Gene Littler, Dr. Cary Middlecof, Dutch Harrison and Byron Nelson.

The event is expected to draw an estimated 20,000 persons, making it the largest spectacle by far ever to be held in the Daly City area.

Announcement that the extravagant tourney was to be held was

Bill Kennedy
. . . Host to 20,000

confirmed yesterday by Charles Hook, manager of Lake Merced.

Sponsors of the tournament are the San Francisco Junior Chamber of Commerce. Nine years ago the PGA included San Francisco on its regular winter circuit, but this area was dropped because of poor attendance and difficulty in obtaining a sponsor.

At that time the play was held in January, and the weather was a variable that too many times cut attendance to nil.

After consulting with Irwin Heieck Jr., president of the Northern California Golf association, PGA officials decided to resume play here at the Lake Merced links.

"It came all of a sudden," Hook said. "There's a million things to be done and we've only got a couple months to make the arrangements. We'll have to consult Daly City police on the parking situation. There's going to be quite a crowd to handle, and this is only one of the many details that'll have to worked out."

Hook said Lake Merced officials would meet "very soon" with the San Francisco Junior Chamber to set things in motion.

Bill Kennedy of Daly City, former vice president of the Chamber of Commerce, is local chairman for the tournament.

The big-name golf pros will travel here from Las Vegas after winding up play there and will work the local tourney in as part of the winter circuit.

The play will be pro-amateur type, with a professional being paired with an amateur.

FLOOD DAMAGE IS LIGHT

Wednesday's rains, which reached near-flash flood proportions about 11 a.m., had some homeowners worried but little actual damage was reported locally.

In Broadmoor, the water level reached nearly a foot at the intersection of 87th and Washington streets, with many lawns completely covered.

However, Broadmoor Police Chief Ray Savage reported that this is an annual occurrence at the intersection with the coming of heavy rains.

The sewers at that point were unable to handle the run off, and county work crews were kept busy several hours cleaning the drains to reduce the flood state.

In Daly City, City Administrator Dan Andersen reported conditions throughout the city good.

In the Valley street area, where there had been flooding in past months, the culverts and gutters were reported cleared.

LADY WANDERS CITY STREETS IN NIGHTGOWN

A Daly City woman, apparently the victim of amnesia, wandered the city streets early Wednesday morning garbed only in a nightgown.

Daly City police picked up Mrs. Luana Canazzi, 35, at 2 a.m. Wednesday morning after discovering her at the intersection of West Cavour and Mission streets.

Officer Ricco Benedetti said the woman claimed not to know who she was, but kept repeating a telephone number. On calling the number, the officer found it to be disconnected.

She was first taken to Junipero Serra hospital and later to San Mateo County Community hospital for observation.

Attendants there said her case was diagnosed as partial amnesia.

Her identity was discovered after her husband came to the Daly City police office about 6 a.m. Wednesday and reported his wife missing.

The woman was released yesterday from the hospital.

New Move Thwarts Mission Street Work

A new move to stalemate even further the long-delayed resurfacing of 1.4 miles of Mission street and San Jose avenue was revealed this week in a petition containing names of 35 local businessmen protesting the action.

On October 7, the state highway department opened bids for work on re-surfacing the area, re-moving street car tracks and installing a traffic island 1.4 miles in length.

The bids were refused by the state when Daly City entered strong protest against the state plan, which called for only two left-turn lay-overs. The city also maintained that six lanes should be provided, along with two parking lanes, cross-overs at motel entrances, and left turn lay-overs at every intersection.

The highway department has already indicated in a somewhat irritated manner that they now plan to let the project sit off in a corner until the time "we are permitted to do it without sacrificing work on more urgent projects."

The petition, which was examined Monday night by the council in a study session, says that "We the undersigned, seeing no real need for such a dividing strip as far as the general travelling public is concerned, and at the same time realizing the inconvenience and handship it will raise to many places of business along this street, hereby petition you not to put in such a dividing strip."

The petition was forwarded to the state division of highways.

Since B. W. Booker, assistant state highway engineer, has already indicated in his letter to the city, contents of which were revealed this week, that the matter has been indefinitely shelved, it appeared the Mission merchants action would virtually squelch the project altogether.

Installation of the concrete island, removal of tracks and resurfacing the highway strip would have cost an estimated $60,000, state engineers said.

The project includes the highway section from the intersection of San Jose avenue and Alemany boulevard on the north to Market and Mission streets on the south.

In addition to the nearly 50 prizes that will be awarded for winning contributions to the show, a cup will be awarded to the outstanding entry in the contest.

Competition will be in four groups -- kindergarten through sixth grade class projects; seventh and eighth grades; ninth through twelfth grades; and outstanding entry.

Construction on the sewage plant, to be located off Alemany and Lake Merced boulevards, is scheduled for late march, after opening of bids on the eighth of that month.

Total cost will be $600,000. Remainder of the bonds will be sold when the money is needed.

Daylight Burglary Remains Unsolved

(Continued from Page 1)

February 3 burglary had called Thursday, reporting they had seen the man earlier that day crossing the railroad trestle behind Briggs street.

However, Savage said, they neglected to call until about three hours after they had seen the man, and by then he had disappeared.

SERVICEMAN IS AT LONG BEACH

LONG BEACH, Calif. — Ronald A. Riggs, ship's serviceman seaman, USN, son of Mr. and Mrs. Armand K. Riggs of 142 Northgate drive, Westlake, arrived here February 11 aboard the hospital ship USS Repose.

The Repose has been on continuous duty in the Korean Theater since 1950 with the exception of two annual yard overhaul periods. During that time to present, more than 18,000 sick and wounded members of the UN's forces were admitted to the hospital.

During a yard period in 1952, a flight deck was constructed on the stern for the landing of helicopters. The helicopter was used extensively during the Korean engagements and to date over 1,400 helicopter admissions have been made. Front line troops seriously wounded in action were sped to the Repose in as little as 28 minutes. Although the fighting has ceased, seriously injured men are still transported by helicopter for emergency treatment. A selected Medical Corps unit which consists of one doctor, specially trained corpsmen and litter bearers meets each helicopter landing with patients. The average time for admission to the hospital from the flight deck is about two minutes.

Garden Village School Mothers Make Plans For Whist Function

A whist session has been slated Tuesday by the mothers of the Garden Village school.

The function will be held in the multi-purpose room of the school, and will commence at 7:45 p.m.

Several prizes donated by Broadmoor merchants, will be awarded during the evening.

Admission is 50 cents. Coffee and doughnuts will be served.

RICHARDSON-JOY RITES HELD IN MINN.

Ray Elmer Richardson, member of the Broadmoor Church of the Nazarene congregation, was married yesterday (Thursday) to Marlene Joy in ceremonies held at St. Paul, Minn.

Parents of the bride are the Rev. and Mrs. George Alfred DeVore.

Richardson is presently stationed in Norwich, Va.

Ceremony was held at the First Church of the Nazarene in St. Paul.

Income Tax Assist

The Office of the District Director of Internal Revenue, Room 24, City Hall, San Mateo, California, will be open Saturdays on February 27 and March 6, 1954, from 8:15 a.m. to 1 p.m., March 13, 1954, from 8:15 a.m. to 5 p.m., and March 15, 1954, from 8:15 a.m. to 9 p.m. to assist taxpayers in the preparation of their Federal Income Tax returns during the current tax filing period. The regular office hours are 8:15 a.m. to 5 p.m., Monday through Friday.

Greco Troupe To Appear At Curran

Jose Greco, hailed as the world's greatest Spanish male dancer and his troupe accompanied by singers and musicians, open at the Curran Theatre for two weeks on Monday, March 1.

Audiences see a wide and colorful variety of dancing, including the pure ballet the Spaniards imported from Russia, and then made characteristically their own; the traditional 18th Century dances; regional and folk dances; fiery famencos, danced by actual gypsies from the caves of Granada.

The bill features several works choreographed by the late Argentinita, with whom Greco danced for many years.

Leading dancers of the company are Nila Amparo, Lola de Ronda, Luis Olivares, Juanele Maya, Salome de Cordoba, Tina Velez, Julio Torres, Malena Vargas, Angel Soler, Antonio Jimenez, Rocio de la Torre, Felipe Lanza, Jose Mancilla, Margarita Zurita, the guitarists Ricardo Blasco and Miguel Garcia, the Flamenco singer Shinin le Triana and the eminent composer and pianist Roger Machado.

Performances will be given every evening during the run, with two Saturday matinees and a Sunday matinee and evening performance, March 14, the closing day. Prices for night performances are $4.20, $3.60, $3.00, $2.40 and $1.80. Matinee prices are $3.60,$3.00, $2.40 and $1.80. Tax is included in prices and mail orders are filled immediately upon receipt.

SCOUT COUNCIL ANNOUNCES NEW TRAINING SKED

The North San Mateo County Girl Scout Council this week announced a series of leadership courses to be offered during February and March.

According to Mrs. Lorraine Brakebill of Westlake, district chairman, on February 25, a round table for new district committee members will be held.

Starting March 2 and continuing on March 9, 16, 23 and 30, a course in Brownie troop leadership will be conducted.

Instruction in intermediate troop basic leadership is to commence March 4, and continue on March 11, 18 and 25.

A workship course for experienced Brownie, intermediate and Advanced intermediate leaders will be held on March 3.

March 8 marks the date for a volunteer trainer course, while instruction in pioneer camp craft will begin March 16.

Persons interested may contact Mrs. Brakebill at PL. 5-7359.

WHEN ACCELERATOR STICKS

When the accelerator sticks, have it freed at once, advises the National Automobile Club. Underlubricated at its various points of anchorage or suffering from a deficient spring tension, sometimes it sticks slightly. While it can be pulled up with the side of the shoe, not matter how skillful one is in freeing it there are times when failure is inevitable and the punishment is inflicted upon the transmission gears.

Four members of the San Mateo county chapter, American Red Cross membership fund committee complete plans for an auxiliary drive in March, approved by the United Crusade. Left to right are John Broderick, Burlingame; Arthur Kennedy, Brisbane; Paul Bacon, San Carlas; and Mrs. Henry Bostwick Jr., San Mateo, chairman of the committee. See story.

Auxiliary Fund Drive For Red Cross Is Necessary In March

An auxiliary membership fund drive for the San Mateo county chapter, American Red Cross, will be necessary in March because the chapter received from the United Crusade approximately $29,000 less than its minimum goal of $134,605, according to an announcement made today by Chapter officials. The United Fund has approved and will cooperate.

D. G. Minto, chapter chairman, has made the following statement to residents of the chapter area: "There will be no door-to-door solicitation in residential districts in March. Other plans are being made to raise the money. Our present goal, which is slightly less than that for 1953, was determined after careful study by the chapter's finance and budget committee and is the minimum amount needed to carry on our work, locally, nationally and internationally. Demands for local services have grown in proportion to the growth of the county and we cannot let our neighbors down. Our Red Cross must be ready to serve where needed.

WESTLAKE PTA PLANS MAJOR SOCIAL EVENT OF SEASON ON MARCH 20th

Plans are well underway for the major social event of the Westlake PTA year. The Spring Fashion Tea will be held on Saturday afternoon, March 20, in the multi-purpose room of the school.

Reservations will be limited to the seating capacity of the room which is 350, but 100 special donation tickets are also available for those who wish to contribute to but cannot attend the affair. Mrs. Frank Verducci, ticket chairman, PL. 5-5513, announces that tickets may also be ordered from the following committee: Mrs. John Moore, PL. 5-2947, and Mrs. L. Cavanaugh, PL. 6-1060.

Tickets may be called for or will be delivered by the committee. The price is $1.25 and all proceeds will go to the Westlake school.

Models for the Lad and Lassie fashions will be chosen by classroom vote and final selection made by the store. The ten adult models will be selected from the executive board and committees.

Mrs. Howard Dunbar, general chairman, invites all who are interested in lovely clothes for spring and summer to call now for reservations. The three Westlake stores assisting in the show are the Lad and Lassie, Towne and Beach Tog Shoppe, and the Westlake Dress Shop. Mrs. Blanche Lagomarsino of the Westlake Dress Shop will be commentator of the show and music will be provided by a professional string trio from the Westlake School of Music. The Doelger Company is assisting in construction of a ramp so an unobstructed view will be had from all seats.

"The Granada" At SF Auto Show

Another plus for those attending San Francisco's 1954 Auto Show will be Dodge's plastic convertible called the Granada.

Powered by a Dodge Red Ram V-8 engine and built on a 114-inch Dodge chassis, the Granada is claimed as the first one-piece, all-plastic-body car ever developed in the industry on a conventional chassis. Even body brackets, structural members, and bumpers of this sleek number are made of fiberglass.

The Granada is radically different from any sports models which have been developed of late in that it also has a rear seat for two people.

In addition to high-finned rear fenders, this car also has sharply crowned front fenders and semi-recessed headlights. The smoothly rounded rear end boasts twin, jet-type, chrome exhaust ports which extend slightly below the bumper.

The most significant thing about this beautiful car is that it is built upon a production chassis with a production motor, thereby giving rise to speculation America's motoring public may see it for sale as a premium model in the not too distant future. At any rate, it is a must for all lovers of exotic automobiles.

WHO'S GOING TO BE SITTING?

Election time in the city is almost here and planks and platforms will be rattling soon.

In light of the past two years' municipal activities, what would appear to be the logical campaign issues?

From where we sit, the transportation problems naturally will rank a No. 1 spot with a couple of the stumpers.

The semi-secrecy with which city business is carried off might also rate a few nods from the potential politicians.

More activity on the part of councilmen, eg., a little hustling outside the regular drone of legalese at the chamber session, might also be a talking point.

The heavy-handed methods with which the council squashes recommendations of the city's commissions is another fighting topic.

Brunswick street extension, probably the greatest fiasco ever to plunder the public till, will be another solid plank, undoubtedly.

These are a few subjects that we believe should, and probably will, command the attention of the neophyte politicians and, with these topics alone, they've got some mighty fine ammunition.

These issues are only a few of the many that can be presented for the scrutiny of the all-important little man—the voter.

It's how these, and sundry other progressive platforms, are presented and the means by which the candidates plan to carry them out, that will decide who's going to be sitting in the council chambers after April 13.

TIME TO START SEPARATING

For an organization that by all rights should maintain a firm, albeit dignified, position in the community, the local Chamber of Commerce is surely beset with a lot of petty politics and personalities.

In past months every issue has found its clique of two or three haranguing in the background, waiting for their opportunity to make a little noise and point childishly to themselves saying, "Look, see what we're doing!"

The basic idea behind a Chamber, to correlate the diverging business forces in a community toward one common goal, has been smothered under the whines and whimpers of the back-biters and recalcitrants.

Admittedly, the Chamber is in its infancy here, but there's no time like the present to start separating the wheat from the you-know-what.

Letters To The Editor

Citizen Enters Protest Against Buses; Says Fare Too Much For Type Of Service

(Ed. note: The following is a letter forwarded to the San Francisco public utilities commission regarding the No. 56 bus. The writer is a Daly City resident.)

449 Santa Barbara avenue
Daly City 25, California
February 10, 1954

Gentlemen:

There seems to be some lengthy discussion regarding the No. 56 Muni bus being taken off that particular route, and I, as one of it's many riders, wish to register a protest although I understand now that same discussion has been put off for some future time.

During the working hours, such times as mornings and evenings, these buses are crowded and are very necessary for the transportation of residents both of Daly City and Colma to connect with the No. 14 and No. 26 buses which start at the intersection of Daly City, Bank of America, all day, for downtown points.

Due to the fact that the No. 56 bus is crowded mornings and evenings, I canot understand why it does not pay to keep them running.

As far as increasing the fare is concerned, don't you think for the poor service such as seating, bad drivers, no heat in this bitter cold weather and no air when the weather is warm, is concerned, although I understand there are facilities in the buses for this, (or is there?), that even 15c is far too much to charge let alone an increase in fare.

We residents in San Mateo county, have had our taxes increased to such an extent, higher than anywhere else, that many homeowners are putting and have put there homes up for sale and now for an idea that fares are likely to be increase, you will find that those people left will find ways and means to fight same by using their own car pools as soon as the cheap garage parking facilities are established downtown. People of San Mateo county are pretty well disgusted with all these different hikes which are being demanded and cannot afford to manipulate. Whatever is done will be to the detriment of the Muni which will certainly lack in passenger utilization.

The only outlet that I and many more people can see is for one of us or more of us to sit on the board controlling this mess as WE are the people USING these buses and do not ride around in official company's cars. Also an annexation to San Francisco would be another solution.

Yours very truly,
Muriel M. Smith

County Schools Had Significant Jump In Enrollment

San Mateo county schools had the most significant percentage increase of school children of any county in the state for the year 1952-53, according to California State Department of Education figures just released through the office of County School Superintendent James R. Tormey.

The figures indicated that San Mateo county, with an 11.6 per cent increase in grade K-14 (Kindergarten through Junior College) exceeded any other county in the state save small Del Norte county, where a 19.8 per cent increase was based on a very small total number of children.

San Mateo county's 11.6 per cent increase compared with a state average increase of 6.9 per cent and was followed by Sacramento county with 11.2 per cent and Santa Clara and Orange counties with 11.0 per cent increases.

While exceeding other counties in percentage of increase, San Mateo county's actual numerical increase was led by six counties with Los Angeles county first with 53,253, and Sacramento county's 6,070 compared with the San Mateo county increase in average daily attendance of 5,297.

San Mateo county's numerical increase was over twice as large as the San Francisco county increase of 2,137. "The fact that San Mateo's numerical increase was over twice that of San Francisco," said Tormey, "indicates the 'youth' of San Mateo county's young parent level as compared with the older average age of San Francisco."

My Mad World

By Leonore Brewer

We have completely lost track of the number of times we've started today's column, only to find ourselves rambling on and on without ever reaching any real point.

It is now the time of day where these vague mental wanderings must cease or there won't be any column. So we've now abandoned any effort to make this a unified article and have settled down to catch some of the thoughts that have been chasing themselves silly in our mind.

There is no time like the present to thank the kindly soul who retyped my Eastern columns. They were dashed off in some haste without the aid of a typewriter, so we did our best and printed them, as our writing has been compared to that of the Etruscans—indecipherable. We can readily recall times when we have had difficulty in reading our own notes once they were "cold."

We found a fine example of just this dififculty stuffed into a corner of our pocketbook. Jotted on the back of a Chicago Historical Society pamphlet were the cryptic words, "Vol. 5, LXXIV, Nov. 38" followed by a squiggle. This appears to have reference to a back issue of the National Geographic. Puzzle: What does the squiggle stand for?

Have you joined the San Francisco Symphony Foundation? To mention only one selfish advantage gained by membership—the privilege of attending two symphony rehearsals with your family (no one under ten, please). To join the SFSF simply send $10.00 to 821 Market street, San Francisco.

Wednesday, February 17, Arturo Casiglia's Pacific Opera Company opens with Irma Gonzales, Latin-American soprano, in Verdi's tragic "La Traviata." And two weeks later you can hear the same opera, with Eva Likova as the unhappy Violetta, in the Cosmopolitan Opera Company's production.

This brings to mind R. JEROME McCAWLEY's letter to the Mail Bag, in which he questioned the wisdom of having two popular priced opera companies presenting practically identical programs.

We are not ashamed to admit that we read his letter three times, so great was our joy in finding ONE person who is sufficiently interested in music to write a letter to the Editor. Perhaps if we hadn't been so overcome we might have worked up a column on just why there should be two smaller opera companies. However, plenty of time for that as The Cosmopolitan Opera won't open until the first week in March. The important thing now is that Wednesday is the Pacific Opera Company's opening night. We'll be looking for you, MR. McCAWLEY!

To drop from what could be the sublime to what most certainly will be the ridiculous—I hear someone is planning to present Tony Martin in an Opera House recital in the near future. Looks like another Liberace squabble is a-simmerin' on the back burner.

Safety News From Your Local Police

FREEWAY DRIVING

Freeway driving can be safe, and pleasant, too, if motorists follow certain basic techniques.

Unnecessary chances at high speed cause most of freeway traffic accidents. The most important basic technique is to travel with the flow of traffic. This means at a reasonable speed, not too slow or to fast.

Next most important, is to drive in the right hand lane, keeping other lanes free for passing. This also means driving within one lane as much as possible and the elimination of weaving from lane to lane or cutting in and out to gain some little advantage.

CHECK WIPER

Now is the time to check on the condition of that windshield wiper. With California's rainy season about to get underway, you cannot afford to be caught on the highways with a defective windshield wiper.

A thorough check now will save dangerous driving later.

ELEVATION VIEW OF PROPOSED DALY CITY CANDY PLANT

PROPOSED national candy manufacturing plant which may be erected in Daly City is shown in elevation plan. The industry would be located just off Station avenue and School street, and would employ an estimated 30 persons. Provision has been made for off-street parking (shown in area at left). Planning commission has approved re-zoning of the land in question to industrial classification, but city council must still okey the change.

First Issue County Civic Magazine Is On Stands Friday

The first issue of the San Mateo County Civic Review was mailed Friday, it was announced today by Wilbur A. Bishop, editor and publisher. Copies will also be available on the newstands this week.

Featured on the front cover is a picture of Sheriff Earl B. Whitmore giving his address before the graduation class of the FBI National Academy in Washington, D. C., last November. There is also a complete story with pictures of Whitmore's three month training course at the FB school.

Other featured articles include: "Brisbane, the City that Didn't Want to Grow Up"; San Mateo's Business Outlook for 1954; Supervisors Plan No Tax Increase; Special reports from the Democratic and Republican Parties; and reviews of schools, city affairs, chamber of commerce, business and industry, deaths of prominent citizens, and a complete list with addresses of all San Mateo County School administrators and board of school trustees.

Bishop also announced that Arnold Kloeppel, publisher of the Coastside Tribune, is the Production and Mechanical Manager for the Civic Review.

In advisory capacity to the editor, Bishop said that he will lean heavily on the advice and suggestions of his board of consulting editors which included experienced experts in each of their fields of endeavor.

TAGGART SEEKS DEMO BACKING FOR CONGRESS

This is to announce to the voters of San Mateo county that I shall seek the endorsement of the Democratic pre-primary convention tomorrow as a candidate for congress at the June primary. From my residence and work within the county over a period of 30 years (minus the years 1942-46, when I was on active duty with the Navy) I know well the interests and problems of the county and I feel that my interest in and study of American history and our constitution, and my participation in civic affairs have given me an understanding of the traditions, problems and needs of the country as a whole. If elected it would be my earnest desire and purpose to serve all my neighbors, not a special group, nor a particular area.

I am opposed to Communism in all its forms. No United States Senator or Congressman or any other citizen is more positive in his opposition. It is entirely alien to our American tradition and a constant threat to international peace. My loyalty has, I trust, been established in the hearts of those who have known me, and may be indicated to those who do not know me personally by my service in the Army in World War I and in the Navy in World War II, and a total service of 28 years in reserve or active status.

JEFFERSON HI BOARD POSTPONES MEETING

Regular meeting of the Jefferson Union High school district board of trustees set for Monday has been postponed because of the holiday, superintendent Stanford Hannah announced this week.

The meeting will be held on March 8.

At that time the board is expected to call for bids for erection of new bleachers at the high school stadium.

Old bleachers were condemned last month by the city building inspector and ordered torn down.

Amateur Radio Is Newest Hobby For Marine Reserves

Amateur radio is the newest hobby and training interest started by the 7th Infantry Battalion and 1st Tank Company, U. S. Marine Corps Reserve. The Federal Communications Commission recently announced that call letters K6MCR have been assigned to Staff Sergeant Cadim V. Von Hartman, 2502 DeKoven avenue, Belmont, to operate the amateur station at the San Bruno Marine Reserve Training Center.

Sergeant Peter E. White, 948 Lake street, San Francisco, and Sergeant William E. Olsen, 1426 Wally street, San Francisco, will work with their fellow Marine Reserves on the installation and operation of the new station.

With this new amateur station, Staff Sergeant Von Hartmann expects to renew many old friendships over the air and make many new contacts and friends on the Marine Corps amateur net throughout the world.

Sergeant Von Hartmann invites all inactive Marine Reserve communicators to visit with him or Sergeant Olsen any Tuesday or Thursday night during drill. He believes they will enjoy watching the Communications Training Programs and be interested in the progress of the new station. Young amateurs without service experience are invited to visit the Marine Reserve amateur station on drill nights to find out about the Marine Corps Reserve Communication training program.

The name "New Mexico," oldest state name in the Union except Florida, according to the National Automobile Club, was first applied by Francisco de Ibarra in 1565, who called the country north of the settled Mexican provinces "un otro" or "Nuevo Mejico."

YOUR NEIGHBORS AND MINE

By Betty Brush

Hello Neighbors:

It's always nice to start the week off with a birthday and the first one this week belonged to little TONY LIGOURI, son of Mr. and Mrs. Tony Ligouri of Woodrow avenue. Tony has now reached his fifth birthday and was a very gentlemanly host to many of his little friends at an afternoon party complete with the usual birthday cake. In the evening he had another party for all his many proud relatives and of course his younger brother and sister.

A christening is always a happy affair. The star of this event was little ROBERT LE ROY MILLER, aged five months. The event took place last Sunday at the Geneva avenue Methodist church with the Rev. Joseph Moore officiating at an 11 a.m. ceremony. Godparents of little Bobby are MR. and MRS. DAN STEVENSON and a dinner was held for all at the home of his parents, MR. and MRS. R. MILLER of Los Banos avenue. Proudly standing by at the affair were Bobby's grandparents, MR. and MRS. ROY COMBS, two of the nicest neighbors one would want to have.

Talk about it being a small world. MR. and MRS. ED STONE of Theta avenue had a visit from relatives last week. Seems they both lived in Minnesota years ago and then upon coming to our town lost track of each other. The Ed Stones moved to Daly City and the PETE STONES to Sharps Park. Through mutual friends they finally met and renewed old friendships. Fact is the Pete Stones have been out here for over two years not knowing that their cousins lived within a few miles of each other.

Items of Interest

Another of the neighbors had a birthday last week. MR. JOE LARSON of Los Banos avenue and Boulder Creek, celebrated his birthday with a family dinner attended by all his children, grandchildren and of course friends who dropped in to wish him many happy returns of the day. Joe is one of the old timers of our town and also one of the nicest neighbors whom it is possible to have.

The old flu bug has really been working overtime. Among those who really thought they weren't going to live and for a while hoped they wouldn't is MRS. MAUD ALVISO of Crocker avenue. She is now on the road to recovery and all her many friends are glad to see her up and about again.

Here is news of another good neighbors. MRS. HAZEL SULLIVAN of San Diego avenue has voluntarily donated one day each week to serving in the cafeteria of OLPH school. That in itself is something but when one has passed the five year mark without missing more than a few days that is really being a good neighbor. Hazel is not one to say much of what she does so there are not many of the neighbors who knew just how long she has been up there. On behalf of all the mothers whose children she has served innumerable meals, thank you, Hazel.

A Mass of Requium was held for the late MR. GEORGE DAY at Holy Cross cemetery chapel last week. Afterwards the family gathered at the home of MRS. AGRIPINA DAY where further ceremonies in the native manner were carried out. Assisting at this affair was MRS. STEVEN DAY of Los Banos avenue and her son, KENNETH, who will always remember his grandfather as a "kindly man."

FLASH! Lackland Air Force Base, Texas. — After repeated phone calls (all collect of course) word comes from A 3/c EDWARD F. HARPER that he was married on February 6th at the Lackland Air Base Chapel. Seems his girl, BARBARA, had a few days off so she flew back to visit him. No intentions of getting married you understand but after getting there Eddie was most persuasive. The bride wore the traditional white and after the ceremony the young couple left for a week's honeymoon which they spent seeing the sights of Fort Worth, Texas. All his family are most happy for them and of course the neighbors wish them all happiness in the future. Congratulations, Kids.

Petty Officer 3/c GEORGE T. EVANS is still sailing merrily on the U.S.S. Breckenridge between Japan, Korea and home. Mostly it is Japan and Korea. He is a dentalman in the U. S. Navy and has been assigned to the Breckenridge for some time now and claims it is the best duty he has ever had. Could be that it gives him a chance to get home once in a while. He is expected home again in about two weeks.

CPL. PAUL A. MITCHELL of the U. S. Army and Korea finally had some excitement in his life last week. They received, after long waiting, a movie projector. At last there was something to while away the long lonely hours when off duty. The boys were really happy they had opened all the crates and found no movie films to go in the projector. Now all they have to do is wait some more. Oh well, according to Paul, that is the Army. Hurry up and wait.

PVT. JAMES J. JASTRUMSKE of Fort Ord is really being kept busy. Basic training as one and all know leaves very little time for off duty activities. Nevertheless there is always time for a letter or a card which many of us are waiting for. We know you will read this paper, Jim, so hello from all of us.

P.F.C. BILL BRANDT of the U. S. Marines was heard from last week. At the present time Bill is in Japan. He is still on the transport plane that ferries the wounded and sick servicemen between Korea, Japan and then home if necessary. He has a pass coming up and is going to try to get a hop to another base in Japan where he will look up his old friend and another hometown boy, P.F.C. AL FLYNN. These two enlisted together and went through basic together and are only three hundred miles apart. That isn't too far as the planes fly nowadays. Hello to both Bill and Al from all the neighbors.

P.F.C. ROY HUNTSMAN of the Marines has had a change of address. He has been in Florida for some time now and has recently been changed to Cherry Point, North Carolina. Roy is still studying the finer points of being a jet mechanic and will probably see overseas duty before very long. A hello from all of us, BABE.

News and Views

COURT ST. MARY'S CATHOLIC DAUGHTERS is sponsoring a book fair for the benefit of the children's library at the OLPH school. This will be a very interesting event taking place Wednesday, February 24th at 8 p.m. in the school auditorium. There will be two speakers, MRS. MARION GARTHWAITE who is affiliated with the San Mateo County Public Library and MR. EARL J. CURRIVAN who will speak on the current new book "Windows Westward." This event is open to all the folks, fathers as well as the mothers and there will be no admission charged. There will be refreshments served afterwards by the ladies and it is hoped that through this meeting there will be many more new books added to the library.

Approximately thirty members of the HUTCHINGS family gathered at the home of MR. and MRS. I. CAMERON of Redwood City last week to welcome home MR. and MRS. ALEX CAMERON and their two sons, SONNY and JACK, from Florida. MR. and MRS. HARRY HUTCHINGS were cohosts with the Camerons on this occasion. The guests were served a barbecued turkey dinner with all the trimmings and a grand reunion was held. The Alex Camerons are leaving Monday for their home in Florida. Best wishes for a nice trip home is wished the Camerons by all the neighbors.

Another of the very young set had a birthday this week. Little Miss ROBIN STEWART, daughter of MR. and MRS. RALPH STEWART of Willits street celebrated her 2nd birthday on Monday, February 15th. She had a nice party at the home of grandma WINNIE EVANS and a good time was had by all including Robin. Happy birthday from us too.

Best wishes of all his neighbors and many friends are with MR. JOE CASTELLANO of Santa Cruz avenue who entered St. Luke's hospital last week for treatment of an ulcer which has been giving him trouble for some time. Poor Joe, who really loves to eat, is now on a diet of just one glass of milk every two hours and swears he's not only starving to death but doesn't think it's worth it. Don't worry, Joe, they give you some pureed baby food soon. Isn't that something to look forward to.

The very popular coach at Jeff, MR. TONY GIAMMONA, of Los Banos avenue, had a birthday last week too. He celebrated it on the same day as his father-in-law, JOE LARSON. He was greeted on arrival home not only by a nice family dinner but by his little girl, GINGER, who was much more excited about daddy's birthday than daddy was. Could be he has had a lot more of them than she has and he just can't get up the enthusiasm of a youngster.

Had a nice phone call from a former long time resident, MRS. IDA HANLEY, now of Bethel Island. She is down here on a visit with her sister, MRS. CATHERINE FORMAN of San Diego avenue. After she leaves our town she will stay for awhile in Berkeley and visit her daughter and two grandsons. It was nice to hear from you, Ida, don't make it so long between visits next time.

Well, neighbors, Valentine's Day has come and gone and it won't be long until Lent will be with us. How time does fly. We have had just about every kind of happening this week and outside of the flu, which has laid so many low, most of it is happy news. Until next week then, Bye Now.

Issue Proclamation To Enlist Citizens In Friendship Fund

Mayor Anthony Gaggero today issued a proclamation calling upon all of the citizens of Daly City to assist the St. Vincent de Paul society in their drive to collect Gold Medal Certificates which come in Gold Medal flour sacks marked "Friendship Fund." One million dollars in certificates are being made available by General Mills under sponsorship of Betty Crocker for use by charitable organizations.

His Honor points out that these certificates have no value to an individual but collectively they can be redeemed by the St. Vincent de Paul society and the money obtained used to aid the needy in Daly City. "It would be a shame for these certificates to go to waste," the Mayor said, "when they could be put to such good use in this community." "This is a worthy community project in which everyone can help. Without spending a cent we can all make a charitable donation by merely lifting the certificates from the Gold Medal flour sacks and either mail them to THE RECORD, 3317 San Jose avenue, or deposit them with George Glass, Hilltop Food Market, 6315 Mission street."

John Muller, chairman of the drive, is being assisted by George Glass, Mrs. Elsie Thomson and Mrs. Joseph Powers. Muller added a reminder that the more certificates collected the more funds will be made available to help our less fortunate fellow citizens.

Date, Place Scheduled For Sheridan Function

The February sewing session and luncheon will be held at the Ocean View playground clubhouse on February 24 at 12 noon. Everyone is welcome to come and work on our current sewing project—making paint smocks for the primary grades.

INSPECTOR TRACY TO SPEAK MARCH 2 BEFORE MOTHERS

Inspector Thomas Tracy of the school safety patrol will be the speaker of the evening when St. Michael's Mothers' club holds its regular monthly meeting on March 2, at 8 p.m. in the school auditorium.

Mrs. Woodrow J. Herve, a mother member, will present a short talk on the patron saint of the month, St. Patrick. Results of the recent Fashion Show will be announced at the meeting, and refreshments will be served.

Westlake School News

1st Grade, Miss Strauch, Teacher

The pupils in Room One have been coloring and cutting out pictures of George Washington and Abraham Lincoln. They have also been making Valentines.

The Cubs have just started reading their new reader "New Our New Friends," which deals with further experiences of Dick and Jane.

Ronald Belli is a new boy in our room. He formerly lived in San Francisco.

Our room mothers, Mrs. Noonan and Mrs. Morin assisted by Mrs. Lefcourt, gave us a Valentine's Day party on February 15th. Prior to the party, we gave out our Valentines which we placed in a Valentine box.

* * *

1st Grade, Mrs. Maine, Teacher

Our first graders have made a Valentine's Garden. A Valentine girl is in the garden watering the Valentines. The Valentines were made from sawdust and paper mache.

As part of the activity for the unit on "Our Neighborhood," the children took a walk around the neighborhood. They observed the houses, Westlake school, cars, fire alarm boxes, mail boxes, etc. The children enjoyed constructing a model of what they observed on their trip. Stories were, also, written about "Our Neighborhood."

The children in Mrs. Maine's first grade made booklets of Abraham Lincoln and George Washington.

We have two new children in our class, Joan Buchanan and Barbara Roberts. Both have transferred from San Francisco.

* * *

1st Grade, Mrs. Fernekes, Teacher

It is news time again for the 1st grade in Room 3.

February with its many holidays makes for a happy, busy time for us.

We have written stories about Lincoln and, of course, have made Valentines for mother and daddy.

We all had a good time at a Valentine party on Monday, which was given by our kind Room Mothers, Mrs. Appleton and Mrs. Paldi, with the help of the other mothers.

Some of us have met Dick's and Jane's new friends in our "New Friends."

See you next time with more news.

First Term Meet Held By Bethel 198

First meeting of the term was held February 4 by Bethel 198, International Order of Jobs Daughters.

The Bethel was inspected by Past Supreme Guardian Mrs. Stella Jensen. The Bethel later presented her with an old-fashioned bouquet as a "thank-you" for her service.

The Bethel will put on their exemplification for Balder Lodge 2174 in San Francisco today (Friday), beginning at 7 p.m.

Daly City's Legion Sets February As Americanism Date

The American Legion Auxiliary of Daly City and throughout the nation have set aside February as Americanism month, says Margaret Rector, Americanism chairman.

"Americanism is love of country, loyalty to its ideals, determination to defend its against all enemies, pride in and love of our Flag, and the desire to preserve or freedoms for all our people," she said.

"Even as our veterans served our country at great personal sacrifice to protect our American freedoms, so it is our duty to carry out our Americanism program. This program includes all activities which tend to promote American ideals and preserve our American democracy. By its nature it is predominantly educational.

"We, as Americans all, should know the proper salute to our Flag, and how to show respect to both our Flag and National Anthem. We should have a thorough understanding of the Constitution of the United States and the Declaration of Independence.

"Many phases of the Americanism program deal with our youth. We should see that American history is in the curriculum of every schol and that it is being effectively taught in every school. We should ask that proper emphasis be placed on the study of our national heroes such as George Washington and Abraham Lincoln. Encourage and work with Girl Scouts and Boy Scouts, and other youth organizations, Mrs. Rector concluded.

GOOD TEAMWORK

Signals clearly given and understood make for good teamwork on the highway, points out the National Automobile Club. Motorists who clearly and deliberately signal their intent to turn or stop, and those who watch carefully for such signals, are helping substantially to reduce our tragic traffic accident toll.

SPECIAL MEET FOR SCOUT PERSONNEL SLATED TUESDAY

A special meeting of all men and women interested in cub scouting and boy scouting in the Daly City area has been called for Tuesday evening, February 23, according to Fred N. Kruse of Westlake.

Kruse is vice-chairman of Lake Merced district, which includes Daly City and Colma. The meeting will be held at the community center at 7:45 p.m. Matters on the agenda include plans for a basic training course for cub leaders, to be held at the community center during March and April, and an overall plan for the organization and extension of the scouting program for boys in this area. Packs and troops whose leaders have been invited to the meeting are: cub packs 62, 63, 241, 243 and 248, and scout troops 248 and 249, all of which meet in Daly City. Several new packs and troops will need to be organized this year, according to Kruse, with this general meeting to decide where they should be located. All interested adults are welcome to attend next week's meeting, Kruse said. "Jefferson School district enrollment figures show a tremendous opportunity for the expansion of the scouting program for boys in the Daly City area," the chairman said, "and we want to assist in the training of volunteer leaders so that all interested boys will have the chance to belong."

"I cooked 90 meals last month for only 94¢"

says Mrs. Lloyd Prosser, a newcomer to Marin County

Mr. and Mrs. Prosser and their two children recently moved to California. "Right away we noticed how much less gas and electricity cost here," says Mrs. Prosser. "We use them freely for better living."

How cheap gas and electricity did a lot for the Prossers last month:

90 meals cooked (for family of 4)	$ .94
180 hours of lighting	3.08
30 days of gas heating (winter month)	6.27
2200 gallons of hot water for 100 baths	.81
45 hours of dishwashing	.18
24 loads of clothes	.33
shaves and washups	.10
6 hours of scrubbing	.01
24 loads in automatic washer	.10
24 loads in automatic dryer	.22
14 hours of ironing	.22
180 hours of television	.85
14 cubic foot freezer	1.12
240 slices of toast	.09
8 hours of vacuuming	.06
120 hours of radio	.28
30 days of refrigeration	.89
2 electric clocks	.09
mixer	.03
waffle iron	.06
P.G. and E. bill for the month	$15.73

Average cost per day: 52¢

Where the Prossers used to live, the same amount of gas and electricity would cost $31.48

Count the appliances in *your* home. Then divide your P.G. and E. bill by the number of days in the month to get the daily cost. You, too, will agree that day in and day out nothing else gives you so much for so little. 4X-W-254

Mrs. Windhurst Is Honored By Jeff PTA

An interesting Founder's Day program, under the direction of Mrs. Tina Hollingsworth, was enjoyed by the Jefferson Union High school Thursday evening.

Stanford Hannah, superintendent, introduced the speaker, Dr. Harold Taggert, who spoke on the "Progress of San Mateo Junior College."

Mrs. Felix Foreman explained the purpose of the Founder's day gift, the honorary life membership, and presented a life membership in the California Congress of Parents and Teachers to Mrs. George Windhurst for outstanding service to the PTA and the community.

Mrs. Hollingsworth introduced Mrs. J. Hansen and Mrs. J. Wiesner, who were costumed to represent our Founders, Alice Berney and Phoebe Hearst.

Mrs. Catherine Foreman, Mrs. G. McIssacs, Mrs. Ida Hanley, Mrs. Tina Hollingsworth, Mrs. Eve Hobbs, Mrs. Mildred McGeein, Mrs. Byron Jensen and Mrs. Ilda Blackburn, all past presidents of Jefferson Union High school, were introduced and presented corsages by the current president, Mrs. E. Heagney.

During the candle lighting ceremony, candles were lit by four past presidents.

Before and after the ceremony, Mrs. G. Freeland sang "Terry Dance" and "Love's Old Sweet Song."

The nominating committee, elected from the audience, consists of Mrs. S. Hannah, Mrs. J. Mullen, Mrs. W. Hobbs, Mrs. J. Eason, and Mrs. T. Mullen.

Refreshments were served in the cafeteria.

PTA LEADERS CONGRATULATE MRS. SUNDMAN FOR AWARD

CONGRATULATIONS are extended to Mrs. Hortense Sundman (left) after being awarded the James L. Snell PTA life membership last week. Mrs. Eleanore Carle, former winner of the honor (right) adds her felicitations, while Mrs. John Hess looks on.

JOSEPH PUCCINIS CELEBRATE FIFTY YEARS MARRIAGE

Some 34 friends and relatives of Mr. and Mrs. Joseph Puccini gathered in Mountain View Sunday to help the couple celebrate their 50th year of wedded life at a dinner reception.

The Puccinis were Daly City residents for nearly 40 years and now reside in Mountain View.

The Golden Anniversary function was held at the home of Mr. and Mrs. Andreine Ballerini, 257 Bryant street.

In addition to the Ballerinis, other celebrants were: Mr. and Mrs. Gino Rossi, Mr. and Mrs. Alberto Bartolini, Mr. and Mrs. Leopolde Colombi, Mr. and Mrs. Zefero Guisti, Mr. and Mrs. Nini Cardenti, Mrs. Maria Lunghi, Mrs. Jean Lunghi, Mrs. Jeannette Steele, Eddie Guisti, Mr. and Mrs. Angelo Stagnaro, Ray Puccini, Mr. and Mrs. Lee Martini, Mrs. Teresa Mibelli, Peter Mibelli, Mr. and Mrs. Eralde Sardi, Mr. and Mrs. R. Vickers Gets Snell's Membership Award

An honorary life membership in the California Congress of Parents and Teachers by the Colma PTA was given to Sanford Vickers at its recent Founders day program at the R. S. Thornton school. Mrs. George Bertucci, honorary life membership chairman, made the award. She reviewed Vicker's efforts in behalf of the children and his service to the community.

Sanford Vickers . . . A Life Member

Brownie Troop No. 154 performed a candle lighting ceremony, "We Rekindle Our Faith." Brownies participating were Carole Andrus, Peggy Bass, Carole Bernardini, Marilyn Brown, Joanne Doyle, Maureen Jolly, Judy Moffitt, and Linda Offenbach.

Miss Marie H. Traynor, principal of Jefferson Elementary school, welcomed the guests and Mrs. Hazel A. Colwell, principal of R. S. Thornton school explained the silver offering. The presentation of guests was made by Mrs. John C. Wiesner, Founders day chairman. The honored guests included past presidents, Mrs. Tina Hollingsworth, Mrs. George Bertucci, Mrs. Edward J. Dennis, Mrs. John C. Wiesner and Mrs. Sanford Vickers. Honorary life members present were Tina Hollingsworth, Marie H. Traynor, E. A. Weisenberger, Hazel A. Colwell, Lillian Bertucci, Hilda Dennis, Margaret Pauline Brown, Gertrude Stanghellini, Arleen Wiesner and Geraldine Vickers. Mrs. H. Z. Wiebel was also an honored guest.

The Colma PTA is planning a card party on February 26.

It's A Baby Boy For Ray Calderons

Mrs. Ray Calderon, 158 Los Olivos avenue, gave birth Tuesday to a 5 lb., 2 oz. boy at Mary's Help hospital.

Mr. and Mrs. Calderon named the infant Ramon Calderon Jr.

It is their first child.

Mrs. Calderon, the former Verna Moresco, was employed at THE RECORD for five years and more recently worked in the office at Jefferson High school.

The new grandparents are Molly Calderon, 158 Los Olivos, and Mr. and Mrs. Angelo Moresco, 328 Railroad avenue.

Village Notes

By Martha Pinney

Garden Lane

Mrs. Clarence Kromer of Sacramento is visiting with his daughter, Mrs. Branstetter.

Leaders of the Girl Scout troops of Colma, Broadmoor and Garden Village met at the home of Mrs. Helene Mori this past week to introduce Mrs. Chester Mattison as the neighborhood chairman. Also, plans for the Father and Girl Scout Daughter dinners were made. The Brownie-Father dinner will be held March 11, 1954, and the Girl Scout-Senior Scout-Father dinner will be held March 18, both to be held at the Broadmoor Community Presbyterian church.

Mr. and Mrs. Frank Malcewicz attended the March of Dimes show in Napa on Thursday, February 11th. Others in the party were Mayor Warner, Councilman Hodges and his wife, of Napa and Bob Caragnaro, promoter of the wrestling matches for the evening, and Allen McDaniels, the matchmaker of the matches. All of these folks and the committee for the March of Dimes went on a tour of the places of interest of the Napa valley, including the Veterans Home at Yountsville and Calistoga, then on to St. Helena and then through the Berringer Wine Company's unique plant. In the late afternoon they enjoyed a wonderful barbecue steak dinner with all the trimmings. In the evening all went to the matches, which was the big show for the March of Dimes, Sharp Brothers vs. Etchison and Enrique Torres. The five cars for this tour were furnished by the Warner Chrysler Distributor Company of Napa.

Larchmont Drive

Mrs. Marvin Howard gave a birthday dinner for her sister, Mrs. R. J. Good, on February 14th.

Foothill Drive

Mr. and Mrs. V. Guz and children visited in Orinda on the 13th. They went to welcome their third nephew who just arrived at the home of Mr. and Mrs. John Catalina.

Louvaine Drive

Lt. Commander and Mrs. William Breathwit and daughter, Ann visited over the weekend with Mr. and Mrs. Ray Lichthenberg and daughters. Lt. Commander Breathwit is stationed at Vallejo.

The Mother's Club of Boy Scout Troop 83 met at the home of Mrs. LeRoy Krueger on February 9th.

Mr. and Mrs. J. C. Hoyt and son, Geoff of Menlo Park spent Saturday evening at the home of Mr. and Mrs. C. F. Pinney.

Mr. and Mrs. Frank Ezell and children of El Monte, Calif., spent the weekend with Mr. and Mrs. Sam Chesky and son, Tommy.

The Girls Scouts will be around to your doors sometime between March 27th and April 10th to sell cokies. The proceeds go to the newly acquired camp grounds at Sonora.

Sweetwood Drive

Mrs. John Hundley of Redlands, Calif., is visiting her daughter, Mrs. Chester Mattison.

Mrs. Poss of Los Angeles is visiting her daughter, Mrs. Clark Bird.

Mr. and Mrs. Louis Mendansa and five children are moving to San Anselmo on February 20th.

Kindergarteners In Outing To Aquarium

Dr. Earl Herald, popular program director for TV's "Science in Action," was host to 80 Garden Village school kindergarteners last week at the Steinhart aquarium.

Three teachers, Mrs. Helen Holman, Mrs. Helen De Berry and Mrs. Marjorie Shields, along with eight room mothers, accompanied the group.

The children were transported to the outing by school bus, and were commended by the school for their "excellent behavior" at the function.

NICHOLAS-BRICKER RITES SET SUNDAY

Barbara Lorraine Nicholas and Fred J. Bricker Jr. will be united in marriage Sunday in ceremonies to be held Sunday at Our Lady of Perpetual Help church.

The Rev. Allen will perform the nuptials.

The young couple are both Jefferson High school graduates.

Following the rites, a dinner will be held at the Club Casino.

ST. PATRICK'S DAY FUNCTION SET BY CHURCH

The annual St. Patrick's day dinner, traditionally sponsored by the Holy Name society and Mothers club of Our Lady of Perpetual Help church, will be held on Saturday evening, March 13.

Co-chairmen are Tony Ricci, Anthony Parmisano and Walter Murphy, assisted by George Caligari, Joe Powers, Louis Thiebaut, Roy Thomson, Joe McEntee, Bill Carrington and Walter Gillies.

Mary Thiebaut, Catherine Ricci and Maureen Malloy head the women's committee.

Ireland, in order to attract tourists this year, is sponsoring "An Tostal" or, "The Irish At Home," and appropriately this is the theme chosen for the dinner and social which promises to be one of the largest gatherings of it's kind in this part of the county.

There will be fine food, good service, refreshments, door prizes, movies for the children, entertainment for all and time to linger. An invitation is extended to attend Daly City's "An Tostal" or "An evening with the folks in Daly City."

The dinner is to be served from 5 p.m. until 8 p.m. and the price is $1.25 for adults, 60 cents for children. Reservations or tickets should be obtained before March 7 so the committee may complete their plans. You may call JU. 7-5735, JU.7-8407 or contact any of the committee.

BAYSHORE SCHOOL TEACHER WINNER OF PTA'S LIFE MEMBERSHIP AWARD

Mrs. Dominick Caloiaro, president of the Bayshore PTA, called the February 10 meeting to order at 8 p.m. in the school auditorium.

Flag ceremony and renewal of pledge was lead by the following Cub Scouts from Pack 145: Wayne Liebert, John Pleskach, David Dirks, Daryl Higgins, Robert Barbara, Nicky Andreson, also Eugene Painchaud and Leroy Higgins of Boy Scout Troop 145.

Mrs. W. M. Liebert, Founders' day chairman, and co-chairman Mrs. Marse Datzman presented the following program: presentation of president, Mrs. Dominick Caloiaro, past presidents, Mrs. M. Hermansen, Mrs. Earl Robertson and Mrs. B. A. Painchaud; life members, Bayshore school represented by Miss Natalie Lipman, superintendent, and Miss Dorothy Fitzgerald, principal, Mrs. Earl Robertson, Mrs. B. A. Painchaud and Mrs. Dominick Caloiaro; charter member Mrs. Beatrice Bethune.

The highlight of the program was the presentation of an honorary life membership to Mrs. Beatrice Bethune, Bayshore school teacher. June will mark 26 years that Mrs. Bethune has been teaching in Bayshore.

A skit "Early History of PTA" was presented by Rosemarie Caloiaro and Marianne Tomich.

A Spanish dance was presented by Dona Caloiaro, Mary Lou Marquering, Brenda Doss, Harriet Ratto and Colleen Mooney. Also a solo dance by Miss Sharron Williams.

Next on the program was "Mike and His Pal" staring Mike Nathan, a promising young high school student.

Mr. Leonel Breault, accompanied at the piano by Mrs. Breault, sang "The Rangers Song" and "Invictus."

The business meeting followed, Mrs. Dominick Caloiaro reported the Mothers March for polio collected $415.00.

Mrs. John Pleskach reported $312.20 made from the recent rag drive. Rag drive prizes were awarded to Miss Gail O'Gradys' 8th grade, Miss Gloria Ewalds' 7th grade and Mrs. Eileen Murphys' 6th grade.

Miss Dorothy Fitzgerald, Mrs. Earl Robertson, Mrs. George Tomich, Mrs. F. T. Barbara, Mrs. Glenn Butler, and Mrs. B. Regan were chosen to serve on the nominating committee.

Miss Dwight Disney's kindergarten class won the attendance banner for having the most parents present.

A social hour was held at the close of the meeting and refreshments were served.

Next event will be executive board meeting February 26 in the teachers' lunchroom.

Dear Clara:

Don't be surprised that I'm writing you on a new modern typewriter. I bought it with money I saved redecorating the house in those tremendous values at Interior Designers Furniture Coy.

I still have enough left over to buy some extra fabric to cover some occasional chairs. You can get fabrics that cost from $2.50 to $15.95 for as little as 79c to $4.95 during their terrific sale.

Why don't you come shopping with me tomorrow at Interior Designers Furniture Coy, 1950 Ocean Avenue?

You'll probably find just what you need for those drapes and at a saving of 50 per cent over what you estimate.

Your Neighbor,

Idee

P.S. If you can't go, why not phone JU 6-3231 and ask Mr. Wood to come over and give you an estimate?

I.

Holy Angels church, 107 San Pedro Road, Colma, (PLaza 5-0478) — Sunday Masses are scheduled at 7, 8, 9, 10, 11 a.m. and 12:15.

Perpetual Novena is held every Tuesday night at 7:30.

Ladies Sewing Club Of Lutheran Church Reorganize Sked

The Sewing club of the Ladies' Aid society of Bethel Lutheran church, Alemany boulevard and Huron avenue, has reorganized the schedule and program for its regular luncheons.

The next meeting will be held on Wednesday, February 24, at 10 a.m. After the noon meal has been served, Mrs. Werner Wadewitz, teacher of music at Concordia Seminary in Porto Algero, Brazil, will address the gathering. Mrs. Wadewitz, together with her husband, who is also a member of the faculty of the Lutheran Seminary for the training of pastors for South America, are on furlough at the present time.

Next Sunday, divine worship begins at 10:45 o'clock. The Rev. Herbert P. Schroeder will preach on the subject: "Speak Lord—Thy Servant Heareth." The junior choir will sing under the direction of Miss Gladys Schultz. The Sunday school is held at 9:30 o'clock. The adult Bible class, conducted by the pastor, meets at the same hour.

The Tuesday evening Bible class meets at 8 o'clock, for the continuation of the study of the Gospel of St. John.

SPECIAL LENTEN MESSAGES FOR PRESBYTERIANS

Recognizing that the Broadmoor Presbyterian church has within its membership and contituency those who religious background has been in the more liturgical churches which are accustomed to observe Lent, the Rev. John A. Glasse announced to his congregation Sunday that beginning next Sunday he would present a series of messages intended to guide the people in an observance of Lent.

The plan is to present a message at the 11 o'clock morning worship service, and at 9:45 the following Sunday that same message will be discussed very informally during the adult "coffee class" hour, thus giving the people the opportunity to "talk back" or ask questions. This procedure will be followed until the series ends, and interested persons may attend at either hour, although those who attend both the presentation and the discussion would find the series more helpful.

Each person or family seriously entering into the plan will be supplied with the pamphlet upon which the minister will base his messages, and they will therefore be able to anticipate both the presentation and the discussion each week. Other devotional materials have also been made available for use at home, including a "Lenten Covenant" card offering the individual the choice of a number of ways by which they elect to govern their thinking and living during the Lenton period.

The Rev. Glasse explained that all persons in the general public may feel free to attend this series either during the eleven o'clock service, or at 9:45 "coffee class" where the slogan is "come dressed as you please," have some coffee if you wish, and meet your neighbors in friendly discussion.

EIGHTEEN KIDS AT ALLAERT BIRTHDAY

Eighteen young friends of Joanne Allaert, daughter of Mr. and Mrs. Leo Allaert, 147 Wilshire avenue, turned out Friday to help celebrate her seventh birthday which, coincidentally, falls on the same day as Lincoln's.

The party was held at the Allaert residence. The children participated in games and songs, and enjoyed refreshments and cartoons.

The decorations were in the Valentine motif, with red and white predominating.

Assisting Mrs. Allaert present the party were Mrs. Dorothy Kinst of Sharp Park and Mrs. Vincent Kircher of the Marina, who ran the projector.

LAUNCH CAMPAIGN FOR EDUCATION TV STATION KQED IN BROADMOOR

A preliminary meeting to launch an intensive KQED charter membership drive to "sign for nine" was held Thursday night, February 11, at the home of Mrs. Jack R. Baker, 844 Beechwood drive, Broadmoor Village.

Local residents of the district attending the meeting to formulate plans for the Channel 9 campaign were: Mesdames Robert J. Buchanan, Robert Fernekes, Lawrence Freiberg, S. R. Johns, Edward Lee, Bernard Maybille, George Swett and Paul Talbot. The Daly City-Westlake-Broadmoor-Colma drive is part of the overall charter membership campaign in San Mateo county.

KQED, a non-commercial, non-profit TV station, is coming closer to air time. Organized as a community station for the nine Bay Area counties, Channel 9 was granted a construction permit by the Federal Communications Commission last July. The transmitter is located on top of the Hotel Mark Hopkins.

The history-making development of the first educational TV station in the Bay Area has the added feature of being allocated Channel 9 on the VHF band; therefore a converter will not be necessary for TV set owners.

At the start, KQED will have a limited program schedule of two and a half hours daily, Monday through Friday. "Some of the best educational shows on commercial stations are on Saturdays and Sundays," James Day, general manager of KQED points out. "Besides that, if we broadcast more than five days, it will be necessary to hire two separate crews for the extra two days, greatly increasing our costs."

A children's hour is planned in the late afternoon, followed in the evening by adult programs for an hour and a half.

Among exciting program plans for KQED is a weekly series, "The Chemical Elements," featuring Dr. Glenn Seaborg, Nobel Award chemist, and other top scientists from the Radiation Laboratory of the University of California.

The series is designed to present a simple yet complete story of the chemical elements . . . their history, characteristics, and present-day usages. Motion pictures, demonstrations, laboratory experiments, and specially created cartoons will enhance the visual aspect of the individual programs.

"This show is slanted for an adult and teen-age audience with an interest, but without previous training, in chemistry," according to Jonathan Rice, program director of KQED. "We believe Dr. Seaborg is better qualified than any other scientist in the country to handle such a series. This is definite proof that educational television will not be amateur television."

MRS. SUNDMAN GETS MEMBERSHIP IN PTA FOUNDERS DAY ACTIVITIES

One of the best conceptions of the appearance of a cold germ was displayed in a small skit given by the Benjamin Franklin students at the Founder's day meeting of the James L. Snell PTA last Wednesday evening.

Laurel Klaisner portrayed the bug in a black suit with violent spots and a pair of very aggresive antennae, ably assisted by Joan Nyburg, Joanne Johns, Richard Susan Pitts, Michael Hoffman, Janet LePine, Judy Krueger, Karen Breham, Barbara Newcomb, Steve Hardy, Alison Benedict, Monica Smith, Barbara Golladay and Rosemary Marshall. The play was directed by Miss Celeste Clark, sixth grade teacher, and was enjoyed thoroughly by the 150 people present.

Since this was the Founders' day celebration, honoring the start of the National Congress of Parents and Teachers some 57 years ago, it carried a special meaning, highlighted by the candlelighting ceremony and the presentation of the life membership. Miss Barbara McDonald, second grade teacher, officiated at the former, assisted by Ann Irby, who lit the white memorial candle, James L. Snell, who lit the blue national candle, Mrs. Adriene Nelson, who lit the red state candle, and Mrs. Larry Green, who lit the gold unit candle. The life membership in the California Congress of Parents and Teachers carries with it a $25 payment into a fund for student loans, and is awarded yearly to an outstanding member of the community.

This year's recipient was Mrs. Hortense Sundman, third grade teacher at the Garden Village school, whose services to the community through many organizations have long been known and appreciated. Her class was present to honor their teacher, and closed the program by singing the Star Spangled Banner. It was announced that another member of the Garden Village teaching staff, Mrs. Eleanore Carle, had been awarded a Life Membership by the Pershing PTA.

The meeting opened with the Pledge of Allegiance led by Senior Scout Patrol Leaders Scott Parker, of Troop 129, and Bill Brown, of Troop 84. Mrs. R. N. Hilton announced that there are now 493 unit members, and asked that the goal of 500 be reached before the end of February. Mrs. A. S. Helmer displayed and discussed the two PTA magazines (one is the national and one the state magazine; both come out monthly and are $1.24 per year), and Mrs. James Hirshberg reported a profit of $76.28 from the January 26 hot dog sale. The members voted that a letter be written protesting the proposed building of a gas station at the corner of Washington and 87th streets, said letter to be read at the hearing held on this subject. Mrs. James Buchanan—radio, TV and movies chairman—stated that the next meeting would be a panel discussion about the effect of various programs on children, and asked that questions for discussion be sent in. A special newsette will be issued about this. Mrs. Ken Reichard announced that all the kindergartens now have their own acquariums, thanks to Dr. Earl Herald of the Academy of Natural Sciences, who donated one acquarium outright, and assisted the room mothers in planning and making the others.

Special guests at the meeting were James L. Snell, for whom the unit is named and its first life mmeber, Mrs. Snell, Mrs. H. Z. Weibel, Mrs. Fred Cruse, president of Westlake PTA, and many charter board members: Thomas Jenkins, Miss Aileen Suber, principal of Garden Village school, and Mmes. Louine Bostwick, Kenneth Brugge, Raymond Duste, Ray Logan, Larry Green, Kenneth Knights and William Johns.

Refreshments were served from a most attractive table, featuring a large birthday cake and decorations in traditional blue and gold. Room mother hostesses were: Mmes. R. E. Miller, M. T. Beckerman, A. E. Beckerman, A. E. Bolander, Jr., W. F. Spry, C. H. Ecker and S. E. Rogden.

Cub Pack 248 Ball Club Hustles As Season Approaches

Things are really perking with the West of Twin Peaks Softball league—and, more specifically, in Cub Pack 248 softball team. What with try-outs, work-outs, "skull" sessions, and coach confabs, this team is shaping up into something that looks very much like a good club.

Coach Walter Dunan has picked the following boys for the "A" team, and is confident they will "deliver": John Drye, Clark Beerman, Jeff Tambor, Don Bosbery, Peter Dunan, Jim Penelli, Allen Hanley, Paul Boudreau, Hank Smith, Ronnie Johnson, Billy Johnston, Ray Fairbanks and Chris Hanson.

Assistant Coach Paul Hanley is an innovation in coaching in this league. He is a 12-year-old Boy Scout of Westlake Troop 248, and a veteran of two years of Cub Scout softball and hardball. He played second base on the All Star team last year, and with the Sunset Yankees hardball team last summer. Paul is proving invaluable in coaching his contemporaries, especially in the infield, and is a very able assistant to Coach Walter Dunan.

The results of this combination of youngsters is being watched with much interest by all adults in this league, especially the parents of participants.

A practice game with Pack 85 of the opposing American League will be played Saturday afternoon, February 27, at 2 p.m., on the grounds at 28th avenue and Vincente. All are welcome to come and see a preview of these teams, before the regular schedule opens on March 13.

Schedule "R" Day In Broadmoor For All Bicycle Owners

Lake Merced Post 9921, VFW, and its Ladies Auxiliary, with the help and cooperation of the Broadmoor police department, are sponsoring "R" Day for all bicycle owners in the Broadmoor police district. Between the hours of 10 a.m. and 4 p.m. on Saturday, February 20, and Saturday, February 27, all bicycle owners are urgently requested to bring their bikes to the Broadmoor police building where the police, with the help of members of the Post and Auxiliary, will register the bikes and at the same time apply Scotchlite safety tape to the rear fenders of all bikes registered.

The safety tape is furnished by Lake Merced Post and its Auxiliary, and will be the same type as is used on automobiles. The tape makes an excellent reflector at night, and will greatly help in reducing accidents. According to police Chief Ray Savage of Broadmoor, the registration of all bicycles in this Police district will not only be of great assistance to the police in recovering stolen bicycles, but also a type of insurance to the owner in preventing bicycles from being stolen, and he urges all bike owners to have their bikes registered.

The registration will not be closed after these two days, but will continue on until further notice. Contact the Broadmoor Police or the Broadmoor patrol car or any officer of Lake Merced Post or its Auxiliary.

In conjunction with "R" Day, Lake Merced Post, its Auxiliary, and the Broadmoor Police are sponsoring a "bike race" at 1:30 p.m. on Sunday, March 7, starting point at Washington and Sullivan streets, Broadmoor.

To be eligible to run in the race, the entrant must live in the Broadmoor Police district, have his bicycle registered with the police department, and his bicycle must be either a 20", 24", 26" or 28". Prizes will be given to the winner of the "heat" races in the four classes, with a grand prize for the big winner in each of the four classes.

To wind up the event there will be a "tiny tot trike" event, open to all tots in the Police district who have passed their third birthday, but have not passed their sixth birthday and have their own tricycle. There will be a prize for the winning boy and girl.

The Community Service Chairmen of each organization, Marvann M. Read, and Lyle Cuykendall are in charge of these events, working in cooperation with the chief of police.

VIBRATION UNNATURAL

Vibration in the speedometer pointer is not natural, according to the National Automobile Club. It usually is a sign of a loose union, a weakened conection, or lack of lubrication. The repair of any of these should be left to an expert, for speedometers are ever more delicate mechanisms.

COLMA-OLPH ROUTED IN COUNTY CAGE PLAY

The second week of the Recreation Department's Northern County Elementary School Basketball League found undefeated Brisbane romping all over Colma to the tune of 35 to 11. The second A game was even more of a rout with Sharps Park smothering OLPH 48 to 6. It was a bad day for the local boys.

Daly City's B entry upheld local pride by smashing the Brisbane B's 49 to 15. Sharps Park B's ruined favored Westlake by upsetting them 24-21. The OLPH B's continued their winning ways by squeezing by Colma 17 to 15 in a very tight battle.

Next Saturday the hoop wars will continue with another full slate of games scheduled. In the A League Brisbane meets OLPH and Sharp Park takes on Colma. The B League finds undefeated Sharp Park meeting in the feature game. Westlake meets Brisbane and Daly City meets Colma.

NOTICE OF IMPROVEMENT EL CAMINO REAL, ET AL.

NOTICE IS HEREBY GIVEN that on the 8th day of February, 1954, the Board of Directors of North San Mateo County Sanitation District, adopted its Resolution of Intention No. 29 wherein it did declare that in its opinion the public interest and convenience required, and that it was the intention of said Board to order the following improvements to be made for said District, to-wit:

The construction of a vitrified clay pipe sewer main, wye branches and standard manholes and appropriate risers, said sewer main to be 8 inches in diameter in El Camino Real from D Street to E Street, and 6 inches in diameter in D Street and E Street from El Camino Real to Clark Avenue, and in Clark Avenue for a distance of 100 feet northerly of E Street and 200 feet southerly of E Street, and the performing of all work auxiliary thereto which may be necessary to complete the same.

All of said work and improvements are to be constructed at the places and in the particular locations, of the forms, sizes, dimensions and materials, and at the lines, grades and elevations shown and delineated on the plans, profiles and specifications adopted therefor by said Board and on file for public inspection at the office of the Secretary.

Said Board has determined that said contemplated improvements are of more than local or ordinary public benefit and has made the costs thereof and the expenses incidental thereto chargeable upon a district bounded on the north by D Street, on the east by Clark Avenue, on the west by El Camino Real, and on the south by the rear lot line of the block south of E Street and the east 100 feet of the south 100 feet of said block.

Notice is hereby given that serial bonds to represent unpaid assessments, and bear interest at the rate of not to exceed six per cent (6%) per annum, will be issued hereunder in the manner provided by Division 10 of the Streets and Highways Code, the Improvement Bond Act of 1915, and the last installment of such bonds shall mature nine (9) years from the second day of July next succeeding ten months following their date.

Except as herein otherwise provided for the issuance of bonds, said work shall be done pursuant to the Municipal Improvement Act of 1913, as amended.

Reference is hereby made to proceedings had pursuant to Division 4 of the Streets and Highways Code, on file in the office of the Secretary of said District.

Notice is further given that the District Engineer of said District pursuant to said Act and said Resolution of Intention adopted pursuant thereto, did, on the 8th day of February, 1954, file with the Secretary his report on said improvements, consisting of a written report generally describing the proposed improvements to be made hereunder, and having attached thereto plans, profiles, specifications, estimate of costs and incidental expenses, diagram and assessment filed with said Secretary as parts of said report, and that said Board did on said date consider and examine said report and by resolution preliminarily approved and confirmed said report and said estimate, and ordered that said report and said estimate stand as the report for the purposes of all subsequent proceedings had pursuant to said Resolution of Intention.

The estimated cost of said improvements is $9,145.00.

NOTICE IS FURTHER GIVEN that Monday, the 12th day of April, 1954, at two o'clock P.M. in the regular meeting place of said Board, 7328 Mission street, Daly City, California, are the time and place appointed and fixed by said Board for hearing protests in relation to said proposed improvements, and that any person interested, objecting to said proposed improvements or to the grades at which said work will be done, or to the extent of the assessment district, or to the engineer's estimate of the costs and expenses thereof, or to the proposed diagram and assessment for the costs and expenses thereof, may file a written protest with the Secretary at or before the time set for the hearing referred to herein.

Reference is hereby made to said Resolution of Intention and said report, for a more particular description of said improvements, and for further particulars, all are on file in the office of the Secretary.

NOTICE INVITING SEAL PROPOSALS OR BIDS EL CAMINO REAL, ET AL

Pursuant to the Municipal Improvement Act of 1913, as amended, and the resolution directing this notice adopted on February 8, 1954, by the Board of Directors of the North San Mateo County Sanitation District, said Board invites sealed proposals or bids for the construction of sanitary sewer mains, wye branches, and house laterals and appurtenances more particularly described in Resolution of Intention No. 29 adopted by said Board on February 8, 1954, which resolution is on file in the office of said Secretary and to which reference is hereby expressly made for a more particular description of the work to be done.

All of said work is to be done at the places and in the particular locations, of the forms, sizes and dimensions and of the materials, and to the lines and grades and at the elevations as shown and delineated upon the plans, profiles and specifications made therefor, and preliminarily approved by said Board on February 8, 1954.

Payments will be made in cash by said District to the Contractor on itemized estimates duly certified and approved by the District Engineer and said Board, based on labor and materials incorporated into said work during the preceding month by the contractor. However, notice is given that a period of 60 days is given to the property owners in which to pay their assessments, and if cash collections are insufficient to meet such monthly estimates, there will be a delay in making such payments until money is received from the sale of the bonds issued upon the unpaid assessments. District shall retain ten per cent (10%) of the amount of each such estimates, and the accumulation of said amounts so retained from said progressive payments will be paid to said contractor thirty-five days after the completion and acceptance of said work by said District Engineer and said Board of Directors.

Notice is hereby given that on February 8, 1954, the Board adopted a resolution determining the general prevailing rate of per diem wage to be paid to the various craftsmen and laborers required to construct said improvements, a copy of which wage scale is contained in and made a part of the specifications for said work, to which reference is hereby made for further particulars.

All proposals or bids shall be accompanied by a certified check payable to the order of the District, amounting to ten per cent of the bid, or by a bond in said amount and payable to said District, signed by a corporate surety or by the bidder and two sureties who shall justify before any officer competent to administer an oath, in double said amount, and over and above all statutory exemptions. Said check shall be forfeited or said bond shall become payable to said District in case the bidder depositing the same does not, within fifteen days after written notice that the contract has been awarded to him, enter into a contract with the District.

Said sealed proposals shall be delivered to the Secretary of said District on or before two o'clock P.M. of the 12th day of April, 1954, at the regular meeting place of said Board, 7328 Mission Street, Daly City, California, said time being at least ten days from the time of the publication of this notice. Bids will be publicly opened, examined and declared on said day and hour.

A copy of the plans and specifications may be obtained from Edwin H. Smith, District Engineer, 914 Spring Street, Redwood City, California, upon deposit of $10.00 therefor, which will be repaid upon returning said plans and specifications.

NOTICE INVITING SEALED PROPOSALS

NORTH SAN MATEO COUNTY SANITATION DISTRICT
DISTRICT SEWAGE DISPOSAL PROJECT

NOTICE IS HEREBY GIVEN that sealed proposals or bids will be publicly opened, examined and declared on March 8, 1954, at the hour of 2:00 o'clock P.M., in the office of the North San Mateo County Sanitation District, 7328 Mission Street, Daly City, California, for the furnishing of all labor, materials, transportation, and services for the construction of a Sewage Disposal Project consisting of the construction of a sewage treatment plant, a storm water bypass at the site of the treatment plant, and an ocean outfall line.

Said proposals or bids must be enclosed in sealed envelopes addressed "North San Mateo County Sanitation District, 7328 Mission Street, Daly City, California," and endorsed, "Proposal—Sewage Disposal Project."

Payments for said work to be done by the contractor shall be made in cash by said District to the contractor on itemized estimates duly certified and approved by the District Engineer and the Board of Directors of said District, based on labor and materials performed and furnished by the contractor and incorporated into said work during the preceding month, but said District shall retain 10% of the amount of each such estimates and the accumulation of said amounts so retained from said progressive payments will be paid to said contractor thirty-five days after the completion and acceptance of said work by said District Engineer and said Board.

All proposals or bids shall be accompanied by a check payable to the order of said District, amounting to 10% of the bid, or by a bond in said amount and payable to said District, signed by a corporate surety or by the bidder and two sureties who shall justify before any officer competent to administer an oath, in double said amount, and over and above all statutory exemptions. Said check shall be forfeited or said bond shall become payable to said District, in case the bidder depositing the same does not, within ten (10) days after written notice that the contract has been awarded to him, enter into a contract with the District.

Notice is hereby given that on February 8, 1954, the Board of Directors adopted a resolution determining the general prevailing rate of per diem wages in the locality in which the public work herein provided is to be done for each craft or type or workmen needed to execute the contract, a copy of which wage scale is contained in and made a part of the specifications for said work, to which reference is hereby made for a full and detailed description thereof.

The District reserves the privilege of rejecting any and all bids or to waive any irregularities or information in any bid or in the bidding.

Plans and specifications may be obtained at the office of the District, 7328 Mission Street, Daly City, California, between the hours of 8:00 o'clock A.M. and 12:00 o'clock noon, except Saturdays and Sundays. There will be a charge of $25.00 per set for plans and specifications, $15.00 of which will be refunded if said plans and specifications are returned in good condition not later than 10 days after the bids have been publicly opened.

Blanchard, Lovelace Pace Alums To Win Over Jefferson

DALY CITY TEAMS TAKE PAIR FROM CARLMONT IN FRIDAY'S ENCOUNTER

A couple of last year's Jeff standouts returned to haunt the local varsity Tuesday as the alumni copped a nip and tuck fray, 59 to 54.

Aces from the 1953 championship team, Larry Blanchard and Wayne Lovelace, scored 22 and 16 points, respectively, in pacing the graduates to their win.

The lead changed hands 11 times during the fray, but a couple of muffed lay-ins by Forward Ray Rosa and Center John Madden in the final seconds gave the lums all the advantage they needed.

Lovelace, who operated at the pivot post last year, returned to gum things up for the high schoolers as he, with the help of Guard Matzek, controlled the boards.

Blanchard Tanks 'em

Blistering Blanchard continued on the pace he's been setting for San Mateo Junior college, as he drove in time after time for two-pointers.

Forward Don Delbon topped scoring for the losers, getting 20, while Wally Honeywell, guard, was runner-up with 10.

The Jeff 30s had easier going with the alumni, as they posted 59 points to the graduates 34.

Jefferson high's varsity basketball team will get their opportunity to move back into command of Peninsula Athletic league competition when they meet first-place Capuchino at the Mustang court Tuesday at 3:15 p.m.

The locals have racked up eight wins in league play, their only loss being to the Mustangs, who are undefeated.

Tonight (Friday) the Indians will face Burlingame in the Jefferson high gym. Starting time is 7:15 p.m., with the lightweight game on tap first.

Scoring was well distributed for the Indian lights, with Forward Rich Watso and Center Ken Duncan leading the way, potting 12 and 11 points, respectively.

Too Fast A Pace

The Jefferson 30s set too fast a pace for the older five as they held command throughout most of the contest. B. Tranthan, forward, and E. Hutchinson, guard, led the losers with 14 and 13 points, respectively.

The Jeff varsity and 30s were unmerciful in last Thursday's league tilts against Carlmont, notching wins by lop-sided scores.

The varsity fray boiled down to a matter of how many times the Jeffs could move back into offensive territory, as they won, 74 to 31.

Toss In Bench

Coach Mike Orlich tossed in the bench early in the game, but the subs were far better than anything Carlmont could present, as they built up a 32-12 half-time lead.

The third team stayed in through the third quarter and continued pouring it on, with the score 50 to 23 at the close of that period.

In the final canto the No. 1 outfit returned for the Indians, tallying 24 counters to 8 for the opposition.

Delbon only operated during half the game, but still managed to roll up a total of 17 for the night, which was high.

First Quarter Lead

Lightweight mentor Tony Giammona saw his charges building up a 17-5 first-quarter lead that was too much for Carlmont to overcome, as the Daly City 30s won, 45 to 27.

The game was nearly evenly paced in the final three periods, with the Jeffs having a slight edge.

Guard Al Lagomarsino notched 11, while Watso hit for 9.

The double win places both the local varsity and lights in top contention for first place in PAL competition. The unlimiteds trail league-leader Capuchino by one game, Capuchino has a 9-0 mark, while the Indians have 8-1.

The lightweights are in a smilar position, trailing first-place South San Francisco by a single contest. South City has seven wins, one loss, while the locals have the same number of wins, two losses.

D. C. Eagles Lead Pin-up Keg. League

As the Pin-up bowling league enters the 22nd week of play, the Daly City Eagles lead the second place Gateway Chevrolet by eight games.

The Eagles not only have a substantial lead in the standings, but also hold the high team game score of 832, and high team series of 2292 score for the league.

With nine weeks remaining the Eagles have a 46-17 record followed by Gateway Chevrolet with 38-25.

Hilltop Market is in fifth place with 33 wins and 30 losses. Central Club holds the sixth position with 32½ wins and 30½ losses. Donahue Motors has a 24-39 record.

The pin-ups bowl every Friday evening at Brentwood bowl.

BLANCHARD DUMPED FROM SMJC TEAM AFTER COMPETING WITH SARTO CLUB

Larry Blanchard, all-time basketball great from Jefferson Union High school and currently a top cog in the San Mateo Junior college basketball team, was dumped from the team Wednesday for participating in play outside the conference.

Blanchard was suspended from the Big Seven under league rules which prohibit play outside the conference during the regular season.

He had participated Monday night with Sarto A.C., a local club, in a San Francisco basketball league contest.

Coach Ray Balsi dismissed Blanchard from the Bulldog team after learning of Monday's game, apparently from an informant from City College of San Francisco, an arch-rival of San Mateo.

The dismissal knocked out Blanchard's chances of competing in last night's contest between the two teams.

However, there remains only three more games to play, and Blanchard's ineligibility won't apply in baseball season.

At the same time, it was believed Blanchard's chances to gain all-conference honors would be dampened considerably.

He had been one of the leading scorers for the SMJC team and was a steady playmaker.

Blanchard was leading scorer last year for the Jefferson High championship team and was unanimous selection for all-PAL.

Farm League Slows Down To Snail Pace

No Games Thursday; Two Contests Are Forfeited

Activity was meager in the Daly City Farm league play this past week, with Thursday's games cancelled because of the high school contest and two forfeits being recorded Monday.

Ralph's Cleaners crew showed up five minutes late Monday and were forced to hand a 1-0 victory to Tromborg Plumbing.

After a full team had arrived for Ralph's, however, the game was played out, with the Cleaners combo winning, 39 to 28.

Ralph's Kelly Ellifson paced the "winning losers" with 13 counters.

The other 1-0 forfeit went to Daly City Police Department, when not a single member of the Gigli Plumbing team showed up. The entire team was travelling to the game in one car, when they encountered motor trouble, they said.

THUR CO. STILL HOLDS FAT LEAD IN BOWLING

Thur Meat Co., thanks to the Daly City-Colma Lions, were still in a comfortable lead after Tuesday night's play in the Daly City-Colma Bowling league.

Pearson and Rector had been threatening the meatmen's lead the week before, but the local Lions moved them down a notch by coping a pair of games from them.

Thur lost a pair to Paul's Flowers, but are still way in front of the pack with 38 wins, 25 losses.

Only teams posing a danger are the Pearson & Rector gang, with 34-29, King's Market and Paul's Flowers, with equal marks.

Three game sweeps were turned in Tuesday by Kennedy Electric and the Orphans. Lombardi's fell victim to the Kennedy keglers, while the Orphans moved Brisbane further into the cellar with a trio of wins.

Bacci Rocchetta of the Orphans won high individual series honors with a 602 chalking, while Dave Reed, of all places, Brisbane, racked up high individual game with a 225. Roy Johnson of Kennedy Electric rolled second high game, notching a 220.

High team series was claimed by Kennedy with a 2631 total. Thur Meat Co. hit 933 for high team game.

SF State To Take On 2 Weekend Foes

San Francisco State's cagers, who are leading the league with an 8-0 record, will take a rest from Far Western competition tonight (Friday) and tomorrow.

The Gators play Hamilton Air Force tonight at State's Lake Merced gymnasium, starting at 8:15. The jayvees play San Rafael High in a 6:30 preliminary. The jayvees oppose San Jose J. C. tomorrow at 6:30 and the varsity plays host to Moffett Naval Air Field.

Center Al Desin tops the Gator scorers with 296 points in 20 games for a 14.8 average while forward Glyden Mayfield has 230 points for an 11.5 average.

Following the pair of non-league games, the Gators meet Chico State Feb. 26 and 27 at Chico for the Far Western title.

CLINE BESTS FIELD IN MERCED STAKES

Russ Cline paced the field Sunday at Lake Merced Golf and Country club, winning the medal sweepstakes with a 77-11—66.

Dick Eichler was runner up, scoring a 72-4—68.

Other scores were: Syl Sachs, 79-8—71; Bob Naify, 85-14—71; Bill Honig, 79-8—71.
